Grammar

Phrasal verbs:

Son verbos compuestos que poseen un significado distinto del verbo original, ya que se forman con un verbo y un complemento gramatical, bien sea una preposición, un adverbio o ambos. Este tipo de verbos pueden poseer más de un significado y su uso es más común en contextos informales.

2. Activity 2

Listen to the song, underline and translate all the phrasal verbs that you can.

Bob Marley - Get Up Stand Up

Get up, stand up, stand up for your rights
Get up, stand up, don't give up the fight
Get up, stand up, stand up for your rights
Get up, stand up, don't give up the fight

Preacher man, don't tell me, Heaven is under
the earth

I know you don't know, what life is really worth
It's not all that glitters is gold, half the story
has never been told
So now you see the light, stand up for your
rights

Get up, stand up, stand up for your rights
Get up, stand up, don't give up the fight
Get up, stand up, stand up for your rights
Get up, stand up, don't give up the fight

You see, most people think, great God will
come from the skies
Take away everything and make everybody
feel high
But if you know what life is worth, you will look
for yours on earth
And now you see the light, you stand up for
your rights

Get up, stand up, stand up for your rights
Get up, stand up, don't give up the fight
Get up, stand up, stand up for your rights
Get up, stand up, don't give up the fight

We sick an' tired of your ism-schism game
Dyin' 'n' goin' to Heaven in a Jesus' name,
Lord
We know when we understand, almighty God
is a living Man
You can fool some people sometimes
But you couldn't fool all the people all the time
And now we see the light, you stand up for our
rights, yeah

Get up, stand up, stand up for your rights
Get up, stand up, don't give up the fight
Get up, stand up, stand up for your rights
Get up, stand up, don't give up the fight

Don't give up the fight, don't give up the fight
Don't give up the fight, don't give up the fight
Don't give up the fight, don't give up the fight
Don't give up the fight, don't give up the fight
Don't give up the fight, don't give up the fight

Don't give up the fight, don't give up the fight
I say now, don't give up the fight

So we won't give up the fight, so we won't give
up the fight
So we won't give up the fight, so we won't give
up the fight
So we won't give up the fight, so we won't give
up the fight
So we won't give up the fight, so we won't give
up the fight

So we won't give up the fight, so we won't give
up the fight
So we won't give up the fight, so we won't give
up the fight

You see, most people think great God will
come from the skies
Take away everything and make everybody
feel high
But if you know what life is worth, you will look
for yours on earth
And now you see the light, you stand up for
your rights

Stand up for your rights, stand up for your
rights
Stand up for your rights, stand up for your
rights
Stand up for your rights, stand up for your
rights
Stand up for your rights, stand up for your
rights
Stand up for your rights, stand up for your
rights

3. Activity 3:

Translate all the sentences that have phrasal verbs

Raise Your Glass

Right right, turn off the lights,
We gonna lose our minds tonight,
What's the dealio?

I love when it's all too much,
Five a.m. turn the radio up
Where's the rock and roll?

Party crasher,
Panty snatcher,
Call me up if you a gangsta
Don't be fancy, just get dancy
Why so serious?

So raise your glass if you are wrong,
In all the right ways,
All my underdogs,
We will never be never be, anything but
loud
And nitty gritty, dirty little freaks
Won't you come on and come on and
raise your glass,
Just come on and come on and raise
your glass

Slam slam, oh hot damn
What part of party don't you
understand,
Wish you'd just freak out (freak out
already)
Can't stop, comin' in hot,
I should be locked up right on the spot
It's so on right now (so f***in' on right
now)

Party crasher,
Panty snatcher,
Call me up if you a gangsta
Don't be fancy, just get dancy
Why so serious?

So raise your glass if you are wrong,
In all the right ways,
All my underdogs,
We will never be never be, anything but
loud
And nitty gritty, dirty little freaks
Won't you come on and come on and
raise your glass,
Just come on and come on and raise

your glass
Won't you come on and come on and
raise your glass,
Just come on and come on and raise
your glass

So if you're too school for cool,
And you're treated like a fool,
(Treated like a fool)
You can choose to let it go
We can always, we can always,
Party on our own

So raise your glass if you are wrong,
In all the right ways,
All my underdogs,
We will never be never be, anything but
loud
And nitty gritty, dirty little freaks
So raise your glass if you are wrong,
In all the right ways,
All my underdogs,
We will never be never be, anything but
loud
And nitty gritty, dirty little freaks
Won't you come on and come on and
raise your glass,
Just come on and come on and raise
your glass
Won't you come on and come on and
raise your glass (for me)
Just come on and come on and raise
your glass (for me).

working from home

It's a challenge for many people to get up early in the morning and get to their offices on time. Like many others, I believed that working from home was a blessing.

So last Tuesday I called in sick to work and told my boss that I would stay at home and do my job remotely. I switched on my computer and logged in to Facebook first thing. Then I reminded myself that I needed to concentrate and quickly logged out. Since I wasn't going into the office, I called off a meeting I had planned with a coworker and texted my friend to say I was staying at home.

After that I managed to do a bit of work before my friend called me back saying she would drop by in half an hour for a cup of tea. I checked out the contents of my cupboard only to discover that I had no tea. So I put on my coat and went to the nearby shop. When I got back home, I understood that there would be no chance for me to get around to working again. My friend turned up minutes later and we spent hours chatting over tea and sweets. I returned to the office the following day, sure that I would never try working from home again.

A Terrible Day

I don't believe in superstitions, but last Friday the 13th was simply terrible. I woke up late because my alarm didn't go off, but that was just the beginning. I left the house as soon as I could, and I was on my way to work when my car ran out of petrol.

Then I took a cab but it turned out that I had left my wallet at home, so I had to go back again!

When I finally arrived at work, my boss got angry at me about the report I hadn't submitted before the deadline. He told me that if I kept coming to work late, I would get into trouble.

So I got to work, but I couldn't concentrate because one of my colleagues kept on talking about the weather, her family, her dog and other stuff. I usually get on well with her but I was in such a bad mood that I just told her to leave me alone. Now she is not talking to me!

Well, I'll get by, of course, but the day was really awful.
